Absorb Tech ® Cleaner, safer solutions for industry

# Thank you for partnering with us

Thank you for partnering with ITU AbsorbTech as your industrial laundry supplier.

We provide cleaner, safer solutions for industry. During our 80 plus years in business we have expanded operations to become one of the largest independently owned and operated industrial laundries in the United States. Servicing our customers through Genuine Service Excellence remains our focus.

The team of professionals servicing your account is highly experienced with tenure unmatched in the industry. We build loyal relationships by listening to and following up on your needs.

We appreciate your business and look forward to continuing to service your facility.

David Leef
Owner and Vice President

# Family owned and operated since 1930

ITU AbsorbTech is owned and operated by the Leef family, now in its fourth generation of ownership. Brothers Jim and David Leef are committed to delivering superior service, obtaining the newest technologies, and remaining active in the community. Our environmentally preferred services include mats, garments, absorbents, towels, mops, gloves and first aid.

### Measuring Our Performance at Freedom Graphic Systems

Customer Quality Visitation Reports (CQVRs) help facilitate a conversation about your program. We take the comments and ratings seriously in order to measure and track how our customers value our solutions and services. Through this process we:

- Maintain healthy, regular communications with Freedom Graphic Systems.
- Learn about specific concerns so we can take action in a proactive manner.
- Measure our performance and adhere to ISO principles.
- Discuss additional solutions and programs that address Freedom Graphic Systems' operational needs.
- Recommend inventory adjustments based on Freedom Graphic Systems' current and projected business conditions.
