WARDEN'S INTRODUCTION

The old year passes the baton to the new and, with calendars reset, our thoughts turn to new chapters, to new challenges, and to new opportunities.

In School too the seasons begin to change. The swiftly approaching public exams prompt renewed vigour in academic studies drawn on by the optimism of spring's approach.

The weekends at Teddies make plentiful provision for further study and, through the rich and varied programme, also allow the chance to recuperate, revitalise or temporarily distract and unwind.

Oxford's omnipresent allure is there to offer another vibrant, cultural and social option, adding a few more acres of freedom to our own hundred.

I look forward to joining you at some of the many opportunities for families to share in pupils' weekend activities this term.

Stephen Jones

Notes on the Weekend Programme
